

CAL OAKS THERAPY EARNS HIGH PRAISE

This is just what a few of our many satisfied patients say about Cal Oaks Therapy:

"I drive 33 miles to get here because everyone is so nice and that makes me work harder, now I can go to Sonora (7 hours away) because therapy made me stronger."

A.F. (RT)

"I love the personal care I get in a smaller office. Other places are like assembly lines."

R.V. (RT)

"Therapy has improved my whole outlook, made me more mobile. I really look forward to coming here."

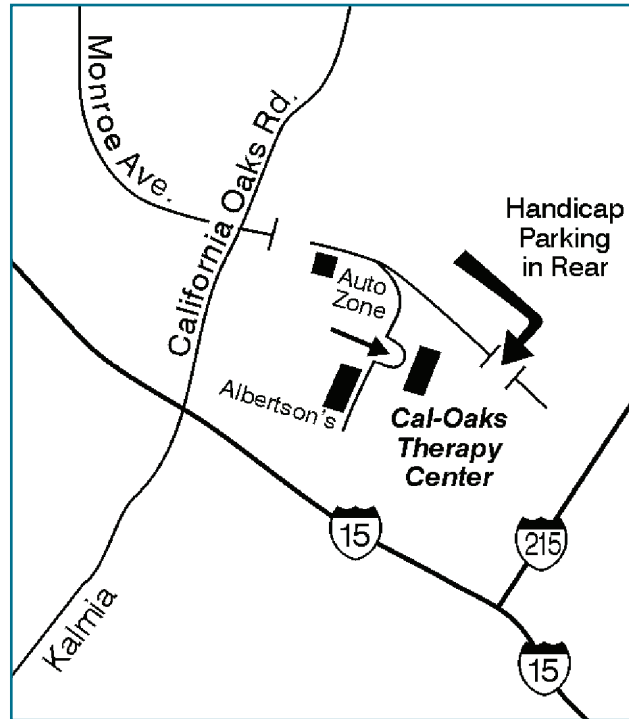

G.B. (RT).

"All the therapists do a wonderful job. They have treated me after 2 different surgeries. I'm almost as good as new."

M.L. (PT)

"I started here on a walker and now I don't use anything. All my improvements are because of you guys helping me."

L.W. (PT)
